

Welcome to Covenant Community Church!

Welcome! We're glad you've chosen to worship with us this morning. If you're a visitor or would like more information about Covenant Community Church, please fill out a connection card (in the baskets on the floor under the chair in front of you) and place it in the offering plate when it comes to you.

Most Sunday's if you have children between the ages of 5 and 5th grade, they will have an opportunity to go to a special kids class called GodSquad. Today however, our worship is family friendly. There is also nursery care provided for younger children during the whole worship service.
