Council Chairperson Denny Crutcher called meeting to order

New members were introduced and voted into the church. New members are Kenneth Farrell, Charlette Cripe, and Rainie Owen.

Council brought forward a suggestion that we use our current surplus to pay all or part of the church mortgage. The congregation, with input from members of council and documents from Art Tucker, discussed several different options.

Kip Carnes made a motion that we pay off the mortgage in full. Someone seconded (sorry I did not get this recorded). Motion carried. Art will make arrangements with National Covenant Properties to pay the mortgage off completely with a final payment of \$140,133.

Meeting was adjourned.
